Letter from the Program Administrator **HAPPY NEW YEAR!**

Last year was a year of Growth and Excitement for BSPLA. To be considered one of the best and fastest going Childcare Centers in Jonesboro, GA gives me a great sense of humility. I could not do it without awesome parents and my dedicated staff, including the wonderful children we serve daily. As your Program Administrator, this New Year I will continue to do my absolute best in making sure that we elevate to the next level. Bright Stars is on the road to greatness. **A BIG HUG** to all the parents who helped make the parent engagement a huge success.

~Sincerely thanking you, Mrs. Rhonda
